Product description

High-performance multifunction printer

Capable of fast 2-colour receipt printing, with high-resolution graphics and barcodes. Also offers a unique single-insertion cheque printer (which eliminates paper jamming), maintenance counters and drop-in paper load.

Multifunction printer with wide slip printing

Produces intelligent receipts, with high-resolution graphics and barcodes, as well as wide-format impact slip printing. Other features include multi-part printing (four copies), fast cheque endorsement and drop-in paper load.
