

IMPACT PRINTERS

	TM-U220 A/B/D	TM-U230	TM-U675	TM-U950	TM-U295	TM-U590
Product description	<p>Versatile impact printer with drop-in paper load</p> <p>The TM-U220 series of single station printers provides high-speed impact printing with 2-colour as standard. Autocutters and take-up mechanism with journal roll are available as options.</p>	<p>Dirt resistant kitchen printer</p> <p>Designed for the demanding hospitality environment, this printer features a water resistant, easy-to-clean case with anti-bacterial coating. Its wide range of interface options – standard parallel, serial, ethernet and USB – enable it to fit into any restaurant network or order entry system.</p>	<p>Reliable multifunction printer</p> <p>Compact printer, featuring single-insertion cheque printing (to eliminate paper jamming) and validation, auto-cutter and easy paper loading. Also capable of printing journals using 2-part paper.</p>	<p>Versatile printer for larger PoS systems</p> <p>Reliable multifunction printer with a wide slip printing capability. Offering easy paper load and ribbon changing and an auto-cutter. It can also print journals on multi-part stationery (four copies) if required.</p>	<p>The world's smallest slip printer</p> <p>Ideal for cheque and credit authorisation terminals, a highly compact printer with a flatbed design for easy paper insertion. Capable of many font options and has the ability to print text both horizontally and vertically.</p>	<p>Wide format slip printer</p> <p>Able to print on multi-part stationery (four copies), up to 88 columns in width, this printer is ideally suited for invoice applications. It features a flatbed design for easy slip or cheque insertion.</p>
