#### Product description

#### 2-colour receipt and cheque printer

The TM-J7000 series offers fast, quiet printing on plain paper, for both receipts and slips. High-resolution printing is ideal for graphics and barcoding and promotional coupons. A wide format slip version is available.

#### Space-saving colour receipt printer

Combines quiet, 2-colour receipt printing (multiple colour combinations available) with high resolution graphics for product marketing at the PoS. This printer has a low consumables cost and features drop-in paper loading and selectable paper widths.

#### Versatile 4-colour PoS printer

Compact and advanced, offers customised colour printing. Ideal for creating tailor-made receipts, vouchers, tickets and coupons in retail, leisure and hospitality. SEAJet technology delivers fast and sophisticated graphics, logos, text and barcodes. Highly reliable and efficient, accepts a wide range of media.
